

Panel Discussion Invitation

Carbon Monoxide Safety in Hospitality

Brought to you by: Molex Sensorcon and NCOAA

Timing of Events:

- **Premeeting:** Sept. 20, 2021 @ 2:30 PM EST via teams (*dry run for panelist prior to event*)
- **Panel Discussion:** Sept. 28, 2021 @ 3:00 PM EST

RSVP: Please email cmcnabb@ncoaa.us by 9/8/21, to confirm availability for 9/20, and 9/28.

Hosted by: 4C Marketing

We appreciate your willingness to join us in our first panelist discussions in this series! This Panel Discussion will focus exclusively on CO Safety in the hospitality industry and. You will be joined by other experts and invite you to share your personal stories about CO Safety and answer audience questions. As a token of our appreciation for your participation, we will provide each panelist with a SensorCon personal detector. Please also provide your shipping

Expectations from the discussion:

- Equipment maintenance
- Social Responsibility
- Carbon Monoxide Awareness
